CLERK US DIST COURT
WD OF VA

Brandon Arnez,

Defendant.

Dear Clerk of court,

I'm writing because I want to know if it is possible for me to put the proceedings of my case on hold till I get released from prison, if the judge doesn't appoint a lawyer to my case that way when I get out I can try and find one. Can they do that stop the case so I can find a lawyer when I get released if ones not appointed to my by the courts? If so how can I ask the judge to do it? To suspend any further proceeding til I get released and can find a lawyer.

Respectfully
Lewis Byrd
